PLACEMENT OPTIONS

"Legacy of" and "number" will be the color of paint on coach.

Motorcade "Legacy" Numbers: Honoring Tradition While Preserving Integrity

Within our organization, traditions carry meaning and our assigned club numbers are one of those traditions.

These numbers are more than identifiers, they represent a member's journey, contributions, and lifelong connection to the group. They are assigned for life and are not intended to be reassigned or transferred.

So, the topic of "Legacy numbers" has come up more frequently over the years, especially among families who share a deep, multi-generational connection to the club. It's easy to understand why. A parent's or grandparent's number can symbolize pride, history, and a lasting bond. Naturally, more than one family member may wish to carry that same number to honor their legacy.

"Legacy Numbers"

Members would continue to receive and display their own individually assigned number, preserving the core principle of uniqueness. In addition, they would have the option to honor a parent or grandparent by also displaying that family member's number as a designated "Legacy Number."

This Legacy Number would serve as a tribute rather than a reassignment. It would not replace or conflict with the member's official number but would instead complement it, recognizing family heritage while maintaining the integrity of the system.

Flexibility in the Display

The exact placement of the Legacy Number would not be strictly regulated. Whether displayed alongside the assigned number or in another appropriate location on the coach, the goal is simply to ensure the member's official number remains clearly visible. This allows for personalization while keeping consistency across the Club.

Greetings Fellow Motorcadars,
Summer is finally getting here. By the time you are reading this we hope that you have gotten your Foretravel out of “moth balls”, dusted it off, and hit the road to a Spring Rally or two. Better yet, join us on an “Adventure of a

Lifetime” to Alaska, or meet us in August for a “Tour of Ohio”. No matter where you’re headed you may need a quick refresher course on some of the things to look at prior to your first big getaway.

Here is the short version of things we look for before we leave the house. There are others, but this should get you started thinking:

- **CHASSIS**
 - Check all fluid levels (engine oil, transmission and hydraulic fluid, engine coolant, washer fluid, etc.)
 - Inspect all belts and hoses
 - Starting batteries for clean connections and proper state of charge
 - Alternator for proper output
 - Check all lights, signals, and horns
 - Check and set all tire pressures according to actual axle loads
 - Test for proper operation of foot brake and parking brake.
 - Check all accessories, especially the ones you plan on using.
- **12 VOLT DC “HOUSE BATTERY” SYSTEM**
 - Check and clean battery cables and connections as needed
 - Operate inverter/charger system to test and fully charge batteries
 - Operate all 12 volt devices, especially the ones you want to use.
- **120 VOLT AC ELECTRICAL SYSTEM**
 - Inspect shoreline cord for cuts etc.
 - Clean shoreline cord contacts (steel wool or scotch brite pads work well)
 - With shoreline disconnected, test inverter for proper output
 - Test ground fault circuit interrupter (GFCI)
- **GENERATOR**
 - Same as engine, check all fluid levels, service as required
 - Start generator and test for proper output and transfer of power to coach

- **REFRIGERATOR**
 - Operate refrigerator on gas, if equipped, and look at the burner to make sure the flame is blue. Have it serviced if not.
 - Check for obstructions in the flue/ventilation system
 - When packing refrigerator turn it on a day or two before and don’t pack too tightly allow plenty of air flow around items.
- **PROPANE SYSTEM**
 - Test system for leaks
 - Inspect and tighten hoses and fittings as needed
 - Test fire all propane appliances, especially the ones you plan on using
 - Test propane leak detector and carbon monoxide alarm
 - Install new batteries in smoke detectors
- **FRESH WATER SYSTEM**
 - Flush and fill fresh water tank
 - Flush water heater if needed
 - Pressurize system with 12 volt water pump and test for leaks
- **WASTE WATER SYSTEM**
 - Rinse and flush holding tanks (Hopefully you did this on final trip last year)
 - Inspect sewer hose, check seal on sewer cap, and check for leaks
 - Check dump valve operations (If it’s stuck or needs attention it’s better to find out when the tanks are EMPTY not full and overflowing!!)
 - Fill toilet with water and test flush more than once! (The worst time to find out it won’t flush is at 70 mph in rush hour traffic right after someone used it!!)

Well, there you go! I Hope this is helpful in getting you ready to travel again. Also, if it seems like this list isn’t complete, that’s probably because it isn’t.

I left out the part where I get out my 5 gallon bucket of car wax and spend 2 weeks “wipe on wipe off”. But I only do that if there is nothing else to do, and believe me, there’s always something else to do!!!!

See You Down the Road
Mark Crick

DIRECTOR'S CORNER

See the World With Your Tour Directors

Come along with us, you might check off dream destinations you never imagined you had, lose track of time, and somehow gain a group chat full of inside jokes you'll never be able to explain.

You may find somewhere between the road signs, late-night laughs, and "remember when..." moments, "strangers turn into friends... and friends turn into family." There is something for everyone. You can enjoy full participation in amazing adventures or relaxing and socialization at your own pace.

The miles will fade, but the memories (and probably the embarrassing photos) will stick with you forever, and honestly, we wouldn't have it any other way.

Travel isn't just about where you go, it's about where and who you accidentally end up with ... and end up loving anyway.

Butch and Gayla are our newest activity directors. They joined the Motorcade Club five years ago after purchasing their first motorhome, a Foretravel, of course! They were recruited as directors while participating in the 2024 Maritime Motorcade. They are very active in the Mid-South chapter. They have served as wagon masters in several rallies, and Butch is currently the chapter's vice president.

They met each other in 1970 when a friend invited Butch to his church. They were still in high school. It was just before Valentine's Day, and the church was planning a Valentine's banquet. Gayla was planning to attend the event as one of four girls who didn't have a date. At the urging of Butch's friend, he asked her for a date to the banquet, and she said yes. They dated for 3 1/2 years and married in June 1973. They have had 52 wonderfully blessed years together and look forward to many more.

Butch grew up camping with his family in the California mountains in a tiny Shasta Airflyte camper. His parents and sisters slept inside while he and his brother slept under the stars, jokingly feeling like bear bait. After moving to Texas, Butch continued his outdoor adventures in the Boy Scouts.

Gayla, equally passionate about the outdoors, spent many years camping at Glorieta, New Mexico, with her family. When their own children were young, Butch and Gayla camped in a pop-up camper, later upgrading to a vintage Avion travel trailer before stepping up to their current Foretravel.

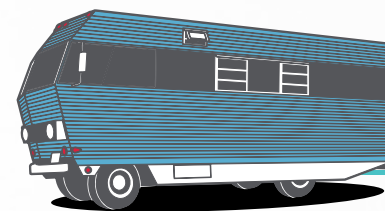

Butch had a career in law enforcement, including flying police helicopters, and later transitioned to healthcare security management. Gayla worked as a neonatal intensive care nurse, often flying in LifeFlight helicopters to transport critical newborns to the Texas Medical Center.

Now settled into a 55-plus community in Willis, Texas, they enjoy the local activities when they're not on the road.

They're blessed with two wonderful children and five grandchildren.

A Precious Milestone — a true masterpiece.

This is the story of two people who chose each other again and again, through every season, every challenge, every joy, and every ordinary day in between. Staying together this long takes more than love. It takes grit, grace, patience, laughter, forgiveness, and an unwavering faith in one another.

You are living proof that real commitment still matters—that partnership is powerful—and that love, when tended with intention, only grows richer with time.

Your journey inspires all of us. It reminds us that the best things in life aren't instant; they're built slowly and steadily, one choice, one day, one moment at a time.

So here's to you: for leading by example, for showing us what loyalty truly looks like, and for proving that love doesn't just endure... it deepens.

May the years ahead be filled with the same courage, humor, and devotion that have carried you this far, and may your story continue to shine with even greater beauty.

In Memoriam

Patsy Teague
#9342
01/28/26
Ellinger, TX

Patsy and her husband Larry became Foretravel Motorcade members in 1985 at the age of 51 when large hair teased bangs and shoulder pads were trendy. She was International First Lady in 1998.

They owned five Foretravels and traveled over 300,000 miles before Larry passed away in 2012. Patsy continued with her Foretravel friends and family as a lifetime member of the Foretravel Motorcade Club.

With love for travel and continuing on, she was an amazing, giving woman that always tried to help any way she could.

Larry Perkins
#16134
02/12/26

Larry Wayne Perkins, 80, of Kilgore, passed away on February 12, 2026, surrounded by his loving family. Born August 23, 1945, in Oakdale, LA, Larry was a gifted basketball player who earned a full scholarship to Louisiana College, where he met the love of his life, Judy. They married in 1968 and raised two daughters, Penni and Jana.

Larry enjoyed a successful career as a State Farm Insurance agent in Kilgore for 38 years, becoming a respected community leader. A devoted member of First Baptist Church of Kilgore, he faithfully served as a deacon and teacher. Above all, Larry cherished his family, his faith, and the many friendships made through his love of sports, travel, and his beloved family farm.

Betty Dean Kelsay Jennings, 92, passed away in Tulsa, OK, on November 22, 2025. She was born June 14, 1933, in Hannibal, MO. At 17, while waitressing in a diner, she met William H. "Bill" Jennings, and they married on December 23, 1950, beginning a loving 72-year marriage until Bill's passing in 2023.

Betty supported Bill through his Army service and later as they traveled across the central United States for his pipeline work. A devoted homemaker, she kept the family together through many moves before they settled in Idabel, where Bill began a land-clearing business. Betty took bookkeeping classes and played a key role in helping the business grow.

Founding members of Trinity Baptist Church, Betty and Bill were active supporters of the Singing Sooners and loved traveling, eventually visiting every U.S. state except Hawaii.

Betty is survived by her daughters, Kelly and Shelly, their families, and her brother, Charles Kelsay.

If you've never had Chicken French, you're in for a treat. Bruce's Rochester, New York favorite takes tender chicken cutlets and prepares them in a way that makes you think they came straight from a restaurant kitchen. The result is a dish that's both comforting and a little bit special, perfect for a cozy dinner that feels restaurant-worthy.

THE FORETRAVEL WAY

CHICKEN FRENCH (ROCHESTER, NY STYLE)

Ingredients

- 4 boneless, skinless chicken breasts (butterflied or pounded thin)
- Salt and pepper, to taste
- 1 cup all-purpose flour
- 3 large eggs
- 2–3 tablespoons grated Parmesan cheese
- 3 tablespoons vegetable oil (or olive oil)
- 3 tablespoons butter
- 1 cup chicken broth
- ½ cup dry white wine
- Juice of 1 lemon (plus slices for garnish if desired)
- Optional: chopped parsley

Directions

1. Prep the chicken
Season chicken with salt and pepper.
Dredge each piece lightly in flour.
2. Egg coating
Beat the eggs with the Parmesan cheese.
Dip the floured chicken into the egg mixture, coating well.
3. Pan-fry
Heat oil in a large skillet over medium heat. Cook chicken until golden (about 3–4 minutes per side).
Remove and set aside.
4. Make the sauce
In the same pan, add butter.
Pour in chicken broth, white wine, and lemon juice.
Bring to a simmer, scraping up browned bits.
5. Finish
Return chicken to the pan.
Simmer gently for 4–5 minutes until cooked through and sauce slightly thickens.

Serve

Spoon the lemon-butter sauce over the chicken. Great with pasta or rice, just like your sheet suggests. Garnish with lemon slices or parsley if you like.

Tips

The egg coating is what makes this Rochester-style — it's lighter and silkier than typical breaded versions.

CENTRAL PLAINS

The Central Plains Chapter always has a good time when we get together, whether at a rally or the Grandvention. We have great camaraderie that feels like family. In fact, we feel like family so much that Dave and I bought Jack & Eilene Crick’s coach last year. Isn’t that what families do? Passing down cherished items to keep memories alive and being able to get a much loved Foretravel from a wonderful couple is something that we are blessed to have happened to us.

Our chapter’s Spring rally starts on April 29th at Lake of the Ozarks State Park. Our campsite has a view of the lake and is very peaceful. There is so much to do at the lake it’s been hard to narrow down the activities. We’ll explore some old ruins, take a helicopter ride and cruise the lake with a dinner on the water. It should be a great time!

We haven’t had anyone volunteer to host the fall rally yet, so that is up in the air. We’re hoping one of the newer members will give it a try. A rally doesn’t have to be fancy or elaborate – just getting together around a fire pit and having a few meals is enough for friends.

We are really fortunate that our Chapter has Ben and Linda Chism, who work hard being Tour Directors, and Mark and Donna Crick who are the Service Technicians for all of the motorcades. These couples work very hard and go above and beyond what is expected of them and I believe they deserve all the praise they get from everyone.

FOUR CORNERS

Hi Four Corners Chapter,

We have no planned rallies at this time. We are looking for chapter members to step up & be wagon masters. It takes all of us to keep our chapter active. Rallies can be as big or small, long or short and as simple or fancy as you want. Pick a place you enjoy & are familiar with. If you like it, others are bound to enjoy it as well!! If you have any questions feel free to reach out to me. Hope to see you down the road. Safe travels & enjoy all of your adventures!!

Dawn Hudson
Four Corners President

GREAT LAKES

Spring has arrived and most of the Great Lakes Chapter States are enjoying warmer weather. Now it’s Foretravel Time! Shirley and I didn’t get out this winter with our Gran Villa so we’re getting her ready now to go to our Great Lakes Spring Rally in Illinois. We’re looking forward to connecting with friends and seeing the sights in the Land of Lincoln. It will be a great time!

Larry Pontius and I were tasked with contacting members of the North Atlantic Chapter in hopes of helping to get interest stirred up to have an active chapter again. In our calls most people said they joined Foretravel to travel. Great Lakes will be hosting a Fall Rally in Champion, Pennsylvania with a special invitation to the North Atlantic Chapter Members to join us September 28 – October 2, 2026. We hope that several will join us as we enjoy campfires and meals together. Then visit the local sites such as the National Memorial for Flight 93 and Frank Lloyd Wright’s Falling Water House.

Wishing everyone a great Spring and Summer of travel in your Foretravel to visit other chapter rallies, family & friends and all the sights in between. Drive Safely!

Tim McCoy,
President

MID SOUTH

Mid-South Chapter Report (March 2026) Let us extend a warm welcome to our newest members of the Mid-South Chapter! We are excited to have you join us and look forward to meeting each of you at our upcoming chapter events. If you have friends who would enjoy our activities and the Motorcade Club, please encourage them to reach out to Sue Bell, Motorcade Club Manager, for more information.

As we begin our 2026 chapter rallies, we are thrilled to kick things off with our Mid-South Spring Rally in Stonewall, Texas, from April 7 through April 11. We’re looking forward to joining Wagonmasters Butch and Gayla Roberson and Doug and Paula Camp for what promises to be a fantastic gathering filled with fun, food, and fellowship. Knowing this team, there may even be a few surprises along the way!

Springtime in Texas is always a special experience. While the weather can be a bit unpredictable, we’re hoping to enjoy a beautiful display of bluebonnets and other wildflowers that bring Central Texas to life. Each season offers something a little different, making it a unique and delightful time you won’t want to miss. Looking ahead, plans are already underway for our Mid-South Fall Rally in Chattanooga, Tennessee, scheduled for September 14–18. Registration details and rally costs will be shared in the coming weeks. Be sure to register early, as sites are limited. With a variety of exciting activities in the works, this is sure to be another memorable event. Keep an eye out for updates in Motorcader Magazine and on our Facebook page.

SOUTH CENTRAL

First I'd like to recognize a job well done by Tom & Nancy Johns for your leadership of our chapter in 2025. Tom initiated a monthly newsletter to inform members of upcoming events & to "stay connected". We try to include something of technical nature, as most of us learn either by "buying experience" or hearing another saying "I can tell you what DON'T to do". Shared information is extremely valuable. If you would like to be added to our newsletter mailings send request to senfinger2@gmail.com.

Have you ever attended a rally held by "another" chapter? Stay updated through the Motorcader Magazine & when it fits your schedule reach out to the wagon masters holding a chapter rally in an area that you will be near. Some of mine & Kathy's best memories are the spontaneous decisions to join a rally that "fit" into our travel plans. As a result we are associate members of about 4 different chapters & have many new Foretravel friends.

Our South Central Chapter continues strong with new members joining & the most exciting part is that some of these new members are attending our rallies. Our fall 2025 rally held in Cartersville, GA had 16 coaches, some first timers, & some new members. Steve & Carol Crook found an "emerald" place to hold our rally offering educational & entertaining experience. Great rally!!

Our spring rally is coming up soon. Don & Cheri Nesbitt & Jerry & Terri Harris are wagon masters for a rally in Maggie Valley, NC April 8 - 11, 2026. We are staying at Stonebridge RV Resort 828-926-1904. Unsure if you can still get tickets for the Biltmore tour but can still come for fun. See ad in Motorcader Magazine. Our fall rally is planned to coincide with the 2026 Grandvention being held in Sevierville, TN. The South Central Chapter will have a rally in Nashville, TN Sept 17 - 22, 2026 before the Grandvention. Sevierville is 200 miles (4 hrs) east of Nashville traveling on I-40. Remember me asking if you ever attended a rally from "another" chapter. You are welcome to join us for a "light" rally allowing you to attend the tours & events of interest but not requiring you to pay for things that are not of interest. Most of the tours & events are optional. Several "group meals" are scheduled. For a list of optional events & details to register at the Music Valley Drive KOA send your request to senfinger2@gmail.com. See ad in Motorcader Magazine. South Central Chapter is kinda like a magnet. It's drawing "interest" & we welcome y'all.

FLORIDA

Dear Florida Chapter Members,

I hope this message finds you all well and enjoying the wonderful lifestyle that makes our chapter so special.

I am writing to bring a few important matters to your attention that require the involvement and support of our membership.

First, we are currently in need of volunteers to step into two key leadership roles within our chapter: Vice President and Secretary. These positions are essential to the day-to-day operation of our organization, and we cannot continue to function effectively without dedicated members willing to serve. Our Florida Chapter is truly magnificent, but it takes the commitment of our members to keep it thriving. I am asking each of you to consider whether you or someone you know might be willing to take on one of these roles.

Second, we need assistance with planning our fall rally location. Selecting and securing a rally site is a requirement to keep our chapter in compliance. Your help in this effort is greatly appreciated.

Additionally, there has been considerable interest among our members in organizing a cruise. If that is the wish of the club, then let's make it happen. We are looking for two couples who would be willing to take charge of planning a cruise for our members. The target timeframe would be mid to late November, with a duration of four to seven days, departing out of Port Canaveral. If this sounds like something you and your partner would enjoy coordinating, please let us know as soon as possible so we can begin securing dates and availability.

If you have any questions about the open positions, the fall rally, or the cruise planning, please do not hesitate to reach out to myself, Matthew Wagner, or Polly Loiselle. We are happy to discuss any of these matters with you.

Our chapter is only as strong as the members who support it. I have every confidence that this group will continue to rise to the occasion. Thank you in advance for your willingness to help.

Warm regards,

Matthew Wagner
Florida Chapter President
