

2026 INTERNATIONAL PRESIDENT & FIRST LADY

Doug & Paula Camp

Greetings Motorcadeters,

As we all know, our nation was hit by a massive winter storm in January with subfreezing temperatures, freezing rain, sleet, and snow. No doubt it had a direct impact on many of you. Paula and I are praying that God will provide all your needs during recovery.

Your Motorcade Club Executive Board recently met to discuss the business and activities of the Club. Treasurer Heather Sasso reported that we continue to operate with a solid financial standing. Heather and Club Manager Sue Bell have worked long and hard to update our accounting practices and to clean up our membership database. Though these activities largely go unseen by the membership, their work will go a long way to help make our office processes more efficient and responsive to the Club.

We also formed a new committee that will focus on updating and improving our Club website. I think you will be pleased to see the updates that have already been done on our current website at . President-Elect Audrey Fox is heading this committee. Along with Sue Bell and Jack DeBoer they are working foretravelmotorcadeclub.com hard already to identify the upgrades that are needed.

I want to dedicate this middle column to promoting all the rallies, events, and motorcades that our Club is so well known for. If you have experienced them, you know what I'm talking about. These events are what we are all about. Contact your Chapter officers and get signed up for a rally. Get involved, you won't regret it.

Spring Rallies

Central Plains	MO	4/29-5/3
Great Lakes	IL	5/11-15
MidSouth	TX	4/7-11
South Central	NC	4/8-11

Motorcades

North to Alaska 6/12-8/1
Ohio Motorcade 8/25-9/19
GrandVention 9/22-26
Tennessee Special 9/26-10/3

If you think there is never enough time to fellowship at your Chapter rally, a Motorcade is just for you. Make lifelong friends and share awesome experiences. With Mark Crick, our Club Technician along to provide support, they are as stress-free as they come. There are spots still available on all these motorcades, and be sure not to miss out on GrandVention in the Smokey Mountains. Contact Sue Bell in the Club office now to get signed up.

2026 is off to a great start. Paula and I can't wait to see you along the way.
