A Warm Welcome to Our 2027 Officers!

The wheels keep turning, the friendships keep growing, and a new year of adventures is just around the corner! At the Mid-South Fall Rally in Chattanooga, Tennessee, on September 15, 2026, members elected our officers for 2027. Please join me in congratulating and welcoming:

Mardi Gras Fun: Bead & Breeze No Rally, Rally

February 4–7, 2027 | Camp Margaritaville RV Resort | Bolivar Peninsula, Texas

Who says you need a packed schedule to have a great time? Join us for our Bead & Breeze No Rally, Rally—a relaxed gathering during the Peninsula's Mardi Gras parade weekend. Last year, more than 30 RVs joined the fun, and we hope to see that many—or more—again!

All types of RVs are welcome. Come for the parade, stay for the company, and enjoy a few days with your Motorcade friends.

Reservations: Call 409-515-1970, mention the Bead & Breeze No Rally Gathering, and request the special rate of **$75.00 per night.**

Please let Darlene DeBoer know if you plan to attend: 713-882-7610 | darlene@turbo1.com
Bring your beads, your best Mardi Gras spirit, and your sense of fun!

Help Us Plan Fall 2027 Rally—Your Ideas Are Needed!

We would love to make our Fall 2027 Rally easier for more members to attend. I am considering a three-day weekend rally in North Texas or another central location within our five-state region.

Many members are happy to travel long distances, but those who are still working may not be able to take several weekdays off. A weekend rally could give more people the chance to experience what makes our gatherings so special: good company, shared adventures, and plenty of laughs.

Here is where you come in! What location would you suggest? Which weekend might work best? And would you consider being a Wagon-Master?

Never been a Wagon-Master? Don't let that scare you off! Experienced members are ready to help. You do not have to do it alone.
Please share your ideas and let me know if you are interested in helping. A great rally starts with members who are willing to pitch in!

Stay Connected All Year with GroupMe

At this year's Grandvention, better communication was one of the big topics. Richard Fox suggested a Mid-South GroupMe group that stays active all year—not just during rallies.

If you have used GroupMe at a rally, Grandvention, or Motorcade, you know how handy it is. It helps us share updates, coordinate plans, pass along reminders, and keep everyone in the loop.

Joining is easy:

1. Scan the GroupMe QR code included with this newsletter.
2. Download the GroupMe app to your phone or computer, if needed.
3. Create an account and follow the prompts to join the Mid-South group.

Having trouble? Contact Darlene 713-882-7610, and she will help you get connected. Let's make it easier for everyone to know what is happening and feel included!

Motorcades: See More, Do More, Have More Fun!

Have you tried a Motorcade yet? I have enjoyed two—the Balloon Motorcade and this year's Ohio Motorcade—and both have been memorable experiences.

The Ohio Motorcade kept us busy almost every day with places to explore, things to do, and great company along the way. Want to see some of the highlights? Visit the club's Gallery and look for "Ohio Motorcade 2026."

We had such a good time that we have already signed up for the New York Motorcade next year. Come try one—you may discover a whole new way to enjoy traveling with your Foretravel friends!

Celebrate 60 Years of Foretravel!

May 21–23, 2027 | Three-day Weekend Motorcade in Nacogdoches, Texas

Foretravel's 60th Anniversary is a milestone worth celebrating! A special three-day Weekend Motorcade is planned for May 21–23, 2027. It is a chance to celebrate the brand, share memories, and enjoy time with fellow owners.

To reserve your spot, contact the Motorcade Office or visit the club's Events page: https://www.foretravelmotorcadeclub.com/events

Let's Make 2027 a Year to Remember!

Whether you join a rally, sign up for a Motorcade, attend Grandvention, or connect with us through GroupMe, there is a place for you in the fun. You do not have to know everyone before you arrive—just come ready to meet people and make memories.
I look forward to seeing familiar faces and welcoming new ones throughout 2027. Until then, safe travels, happy trails, and happy Motorcading!
