

2026 INTERNATIONAL PRESIDENT & FIRST LADY

Doug & Paula Camp

Greetings Motorcadaders,

I would first like to pass along a word of encouragement to our Motorcade family in the wake of recent hostilities in Mexico, Iran, and other parts of the world. No doubt some of us have loved ones who may be closer to these than we like.

The Apostle Paul encourages us in 2 Timothy 1:7 - *'For God has not given us a spirit of fear, but one of power, love, and sound judgment.'*

You should have just received the latest issue of our MotorCader magazine. You can be encouraged that your 2026 Motorcade Directory will also soon be in the mail. We deliberately delayed its publication as Sue Bell worked hard getting our membership list cleaned up and annual dues received. We are discussing publishing the Directory electronically. By allowing members to opt-out of the hard copy, this would not only save the Club the cost of printing and postage but would get it in your hands even quicker. We acknowledge that some will continue to prefer the hard copy.

Our work on a new, updated version of the Motorcade Club website is still under way and moving forward rapidly. Together with the Executive Board, our website committee is planning a soft launch for Executive Board review to be sure it meets our expectations, preceding the full launch for the membership this Summer. I know we will be impressed and appreciate all its capabilities.

Well, Springtime is upon us and opportunities abound with Rallies on the calendar and others in the works.

Spring Rallies

Central Plains MO 4/29-5/3
Great Lakes IL 5/11-15

Fall Rallies

MidSouth TN 9/14-18
South Central TN 9/17-21
Great Lakes PA 9/8-10/2

Motorcades

North to Alaska 6/12-8/4
Ohio Motorcade 8/25-9/19
GrandVention 9/22-26
Tennessee Special 9/26-10/3

There are spots still available on most of these and be sure not to miss out on the 2026 GrandVention in the Smokey Mountains. Contact your Chapter officers or Sue Bell in the Motorcade office if you have any questions about details or how to sign up.

A final word of advice for everyone. I recently had a coach failure that required being towed to the nearest city. There are several providers of roadside assistance available in the marketplace. I personally use Coach Net and had a very good experience with them. Whoever you use, make sure your coverage is active and that you know how to contact them. I hope you never need it, but it isn't worth the risk of not having it.

Have a safe and happy Spring. Find a rally and make a new friend. Sign up, get involved, volunteer, and have the time of your life.

Paula and I hope to see you along the way,

Doug Camp
