

Foretravel Motorcade Club Mid-South Chapter

To: Motorcade Club Board of Directors
From: Doug Camp
Subject: 2023 Member of the Year Award

Members of the Board,

I would like to nominate **Bonnie Cone** #15759 to receive the Member of the Year Award in recognition of her significant contributions to the overall support and improvement of the Club.

Bonnie and her husband Ron Cone are longtime members and supporters of the Motorcade Club. Bonnie has individually served the Club in many ways including but not limited to the following:

Chapter Level

- Three years as Treasurer of the MidSouth Chapter (2021 to present)
- Having previously served as a MidSouth Rally Wagon Master, she assists and advises Wagon Masters for all MidSouth rallies and is our most active recruiter of Wagon Masters for future rallies.
- Facilitates informal get togethers that include friends and family to celebrate New Year's Eve and other special events such as the 2024 Solar Eclipse.
- Quote from another officer: *"Bonnie is one of those rare individuals that often works quietly in the background getting things done efficiently, never looking for recognition. Just quietly gets things accomplished with never a negative thought."*

Club Level

- Five years as Secretary of the Foretravel Motorcade Club (2019 to present)
- Served four years as an Activity and Tour Director (2019 to 2022)
- Assists current Activity and Tour Directors planning upcoming and future events.
- Assists new Club Manager with transition and improvement of Club administration.
- Administrator of multiple Facebook sites at Club and Chapter level welcoming all new members and answering questions.
- Quote from another officer: *"Bonnie will not only welcome visitors and guests at Chapter Rallies and Motorcade Events, but she will also promote and educate these non-members as to the benefits of the Motorcade Club and why they should join. Bonnie has enrolled several new members in the Motorcade Club through her sincere tenacity."*

It is obvious that Bonnie loves the Motorcade Club and is willing to do anything, at any time, for anybody to ensure the vitality of our Club. There are likely many other things that go unnoticed that could be added to this list. For these reasons I believe Bonnie Cone should be awarded the 2023 Member of the Year Award.

Respectfully,

Doug Camp
President – MidSouth Chapter
